

From License to Liberty

Romans 6:1-14 – Blue Bible Page #1116-1117

LICENSE is the attitude that says, “Because all is forgiven, I am free to sin and do as I please.”

JUSTIFIED – Being made right with God. The guilty status of my sin is removed. Jesus’ perfect, sinless record is given to me.

Are you OK with something God’s NOT OK with?

LICENSE is grace **ABUSE**. – I can do whatever I want.

LIBERTY is **GRATITUDE** in grace. – I will do whatever God wants.
