

The MAZE - Sexual Boundaries Part 1 - God's Design & Our Corruption

1 Corinthians 5 – Blue Bible Page # 1131

PORNEIA is sexual immorality.

God **DEMANDS** that PORNEIA be **REMOVED**. If it's there, don't make excuses for it. Definitely don't get comfortable with it. If you refuse to remove it, you are placing yourself under the judgment of God. And you don't want to be there.

God **PROVIDES** the way to **FREEDOM** from PORNEIA. **CONFESS** it as sin. **REPENT** of it and go in the opposite direction. Use the weapons God has given you and **FIGHT** to be free. Those weapons are: God's grace when you fail; the Holy Spirit's power to see and act; God's people to hold you accountable, encourage you and to **FIGHT** with you.
