Joshua 24:1-28 – Blue Bible Page # 231

Whose **VOICE** will you **LISTEN** to?

**POWER** – Are we teaching our kids to demand service or to be servants?

**MONEY** – Are we teaching our kids to be givers or takers?

**FAME** – Are we teaching our kids to live for the approval of God or people?

**MERCY & GRACE** – Are we teaching our kids to be proud or gracious?

**THE CROSS** – Are we teaching our kids to build their lives on the cross?

**It's our INSPIRATION.** The cross reminds us that God's love for us was worth the life of His Son.

**It's our LIFE.** The cross meant death for Jesus, but it means the assurance of life for us.

**It's our HOPE.** The cross reminds us that we can always be forgiven. Jesus has power over any sin confessed to Him.

**It's our SECURITY.** We will always fail. The cross reminds us that being right with God is always about Jesus and not about us.

**It's our COMPASS.** Everything we do is directed by the cross of Christ. We live to do what Jesus did and say what Jesus said.
