

Only One Way Home

Luke 15:11-32 – Blue Bible Page # 1035-1036

REGRET is sorrow over the consequences of my sin, but not the actions themselves.

REPENTANCE means I **feel bad** about my sin, **confess** it before God, **ask** for His forgiveness and **turn** to follow His will and way.

MERCY is not receiving the punishment we deserved.

GRACE is getting favor and blessing we don't deserve.

Your **SIN**, no matter how bad it is, won't lock you **OUT**.

Your **GOOD** works, no matter how good they are, won't get you **IN**.

Accepting the Savior means I . . .

GIVE UP my will.

GIVE OVER my life to Jesus.
