

Bridging the Divide – From False Peace to True Peace

Ephesians 4:30-32 – Blue Bible Page #1159

When it comes to conflict, **FALSE** peace in **NORMAL**, but **TRUE** peace is **WEIRD**.

How God Forgave Us in Jesus:

- God had every reason to have a **BARB** against us.
- God did not act on a **FEELING** to forgive, but a **DECISION**.
- God did not just **THINK** about forgiveness, but he **ACTED**.
- God did not make **DEMANDS**, but paid the **COST**.
- God did not **FORGET** our sin, but **REMOVED** the penalty.

It's only when we have experienced the supernatural power of god's forgiveness of us that we receive the supernatural power to forgive others.
